### Narrative

Basis of bearings for this survey is C.S. No. 3402 between monuments found at "A" and "B". I found other monuments per C.S. No. 3402 as shown. I held calls from the N.E. Corner of Tract 16 per Inst. No. 94-10270 to monument the boundaries of the Right-of-Way Dedication. I monumented the proposed boundary line agreement as shown hereon.

Survey For  
**William J. Hensel**  
In The East 1/2 of Section 3
