The lots in said Addition are 50 feet front by 100 feet deep; and the streets and Avenues are 60 feet wide, and the Alleys are 15 feet wide; and all of the said streets, Avenues and Alleys are hereby granted, dedicated, and conveyed to the public as public roads and highways, for public use forever. The North boundary of this addition is established in the center of Bridge Street in what is known as East Side Addition to said Town of Vernonia; and the initial point from which surveys are to be made to establish lines and corners in said Addition is in a stake at the N.
