

Parcel 2, Partition Plat No.1993-15

Narrative:

The purpose of this survey is to amend the errors and omissions on County Survey No. 4651

In plotting the boundary of the parcel of land described in Instrument No. 97-08184, I inadvertently left out the additional 75' square portion of said parcel described in said Instrument No. 97-08184. I added that portion omitted as shown hereon which reflects a change in the area of the parcel described in Deed Book 109, Page 301, from 1.84 acres to 1.63 acres and the parcel described in Instrument No. 97-08184 from 1.22 acres to 1.43 acres, the resulting acreage remaining the same on both parcels.
